## **Recommended Non-fiction Reading Spine**

The purpose of this spine is to share recommendations for children interested in nonfiction books. The books have been selected to support the development of children's background knowledge covering a wide range of topics - some of which link into our curriculum. Within this spine, you will find books that are high-quality, interesting and enjoyable! These information books promote how the text and the pictures can work together to provide comprehensive information and enjoyable reading whilst broadening knowledge and experience of the world and promoting equality and diversity.
