Changes to the School Re-opening

Dear Parents,

The purpose of this letter is to inform you that from Tuesday 5th January our school will only be open to the children of key workers and vulnerable children in all classes. Please click the following link for the definitions of these groups.

[Key Worker and Vulnerable Group Link.](#)

If you think that you are a key worker please bring with you some evidence tomorrow morning and a member of staff will be on the normal pupil entrance to check this for you. All routines of staggered start/finish times remain for those vulnerable or key worker children who can attend.

All other children in school will access learning remotely via Google Classroom. If your child does not have access to a laptop please notify school and we can provide a temporary loan of equipment.

I apologise for the inconvenience this may cause you and for the short notice given to families but our aim is always to ensure the safety and wellbeing of the children and staff at our school. We are taking this step due to the school not having sufficient staff to supervise and safeguard the children in our care.

We will update families as the situation develops and keep you informed of any changes as soon as we are able to.

As always I thank you for your support and understanding at this difficult time.

Yours sincerely,

Rebecca Wilkinson
