

Minutes of the Parent Forum Meeting

Present

Rebecca Wilkinson
Ruth Culley
Lee Pimblett
10 Parents

Parents were talked through:-

1. The Behaviour Contract (attached)
2. The Behaviour Escalation Procedure (attached)
3. Behaviours that will warrant Reflection Room/Exclusion(attached)

These documents will be rolled out in the new academic year. Where a child will struggle to meet any of the expectations, parents should contact school so that we can provide their child with adequate support.

Parents were informed about the Community Spirit Festival that all families are invited to on Tuesday 13th June (the 10th Birthday of Olivia Pratt Korbel). The event will start at 5.30pm with a walk around Court Hey Park. There will be performances by a joint school choir (St Margaret Mary's Infant and Junior School, Malvern and Roby Park) and a joint dance. The event will culminate with the launch of a short film (involving the four school communities together with the local community).

During the actual day itself (Pink Day), each year group will get to work with a creative practitioner:-

Year 3-Altru Drama
Year 4-Artist Paul Curtis
Year 5-Debbie Ryan (Mosaic Artist)
Year 6-Curtis Watt (Poet)

All classes will have the opportunity to go on an assault course and to visit our on site ice cream van. They will also have the opportunity to work on a piece of work for the Knowsley Flower Festival. On this day, our new 'Olivia' Performance Area will also be officially opened.

Parents were informed that classes for next year will be announced in this week's newsletter. At this stage, we are not looking to mix classes. However, if any parent wishes for their child's class to be moved, they should contact the Senior Leadership Team. If this can be facilitated (it may not be possible), then the child's class will be moved.

QUESTIONS RAISED
