World Book Day!

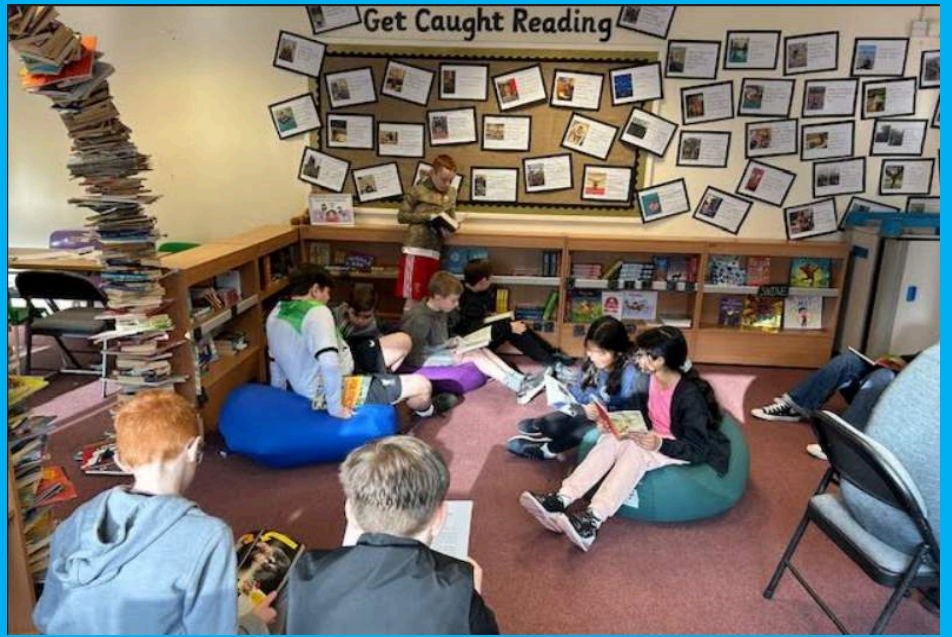

Our pupils had a wonderful time celebrating World Book Day this week.

3CF & 6AC enjoyed spending time with their class buddies.

4KH loved dressing up as their favourite characters!

The Oompa- Loompas

6SA and 3HM Loving World Book Day!

Congratulations!

Well done to Bailey, Alfie and Charlie for playing some super football outside of school. They got through to the semi-final but unfortunately were beaten in the final by a last minute goal!

Well done to Laila-Grace in 6SA who went to 'Jamfest' in Blackpool at the weekend with her cheerleading team. They scored a wonderful 89% and had great fun in doing so.

Up and Coming Raffles

A small group of children went out into the local community this week to ask local businesses if they would support our Easter Raffle and Summer Raffle with any donations. Thank you to our children for their great work. Watch this space for information about when tickets go on sale and what you could win! Some of the proceeds from the raffles will go towards supporting Pink Day in June in memory of Olivia.

Thank you to the following business for their generous donations: AJs Hair & Beauty Lounge, Tesco-Edge Lane, Pizza Hut- East Prescot Road, CJ's Barbers, Subway- Edge Lane and Cheryl Korbelt-the Olivia Foundation.

If you are able to donate any items or vouchers please speak to Mrs Culley or Mrs Wilkinson.

SHINE

This week's SHINE lessons have linked to Health and Wellbeing The children have been exploring how to resolve conflicts.

Sport News

Next week our Year 5 and 6 girls football team will play in the Huyton League on Monday and the LFC Foundation League on Thursday. Good luck girls!

School Car Park

Unfortunately there have been a few incidents recently where people driving into our school carpark have had near misses with pedestrians.

To avoid this can we ask that you only drive into the carpark if you or your passenger/s are unable to walk in from the road? Thank you for your understanding.

SEND Coffee Morning

Many thanks to all who attended this week's coffee morning. We hope you found it to be beneficial.

Punctuality

Remember to 'Be on Time for Quarter to Nine'. We are seeing some improvements with punctuality but we all need to work together to continue to improve this across the whole school. Please let Mrs Culley or Mrs Perry if there is a reason you struggle to get your child to school on time and we will do our best to support the family. If our children are not in school on time, ready to learn at 8.45am we will see a negative impact emotionally and educationally.

British Science Week 2024 - 'Time'!

A ten-day celebration of science, technology, engineering and maths (STEM) that takes place 8th - 17th March. This year's theme is 'time' - a key to so many discoveries in STEM. *Where would we be without time?*

We are asking that children complete an independent project to conduct some research about their focus scientist. *How did they spend their 'time' making significant contributions within science and driving technological advancements?*
